A very Remarkable Case of Cancer Curied by Dr. W. C. COUDEN, of Louisville, Ky.

I wish to make a statement to the public, of the case of my little son, only 3½ years old, who was so terribly afflicted with cancer, which was thought to be incurable when I placed him under the Doctor's care. The cancer was a very large one, involving almost the entire cheek. It appeared to be of a very malignant character, and rapid growth, and had been coming for about three years. The Doctor made an application which he continued but a short time, which did not cause but comparatively little pain to my son. The application appeared to leave the cancer in a dead state, and in a few days it sloughed out, leaving the surrounding parts in a healthy condition, and it has since been successfully healed, and he is now entirely free from pain and perfectly well; and my little son is very proud of being cured.

I have seen and heard of a great number of cases cured by Dr. Couden's treatment, and in the strongest manner I recommend him to all those who are so unfortunate as to be afflicted with cancer. I would advise all persons thus afflicted to make no delay in securing Dr. Couden's treatment, as I believe his treatment to be less painful and far superior to any other physician in the United States. Any one desiring further particulars can address me at Hagerstown, Henry county, Tennessee.

C. S. PAYN.

We, the undersigned, are acquainted with S. Payn, and know that his little son was successfully treated by Dr. W. C. Couden; of this city and from what we are able to judge from the presence of the child, it was surely a very remarkable success. GED W. WICKS,
